“ *Pete became our instant friend at Horseshoe Cove when we first met him and Jerianne.
We will miss his stories, his laugh, his kind generous heart, his voice and his willingness to help everyone. The world lost an amazing man but heaven gained a special angel.
He's probably helping the divine carpenter right now.*

“ Pete was such a strong, tough man with the kindest, softest heart for his family. His love for you always showed. Sending all my love to your family. John just wants everyone to remember that Pete started losing his hair before they ever even met....despite him swearing it was John and Jake’s fault he was going bald. Although I’m sure they contributed. Praying for you all through this difficult time.
