“ *To the family of Mrs. Rebecca Scott-Lee: I would like to express my condolences to you for the loss of your wife, mother and sister, Mrs. Scott-Lee. When someone you love dies, the pain and grief can be unbearable. But God's Word, the Bible, gives us a hope that millions who are now dead in the grave will return to life on earth. Jesus promised this at John 5:28. I hope reading this scripture will provide comfort to you during this time in your life. Once again, I express my deepest sympathy.*

“ *Rachel and families, Your Mom could make any bad day a Great Day after being with her for a while. I hope that all of you kids got some of her sense of humor I know that your sister has it I hope that you boys got some of it because that is your mother. So everytime you laugh at your sister know that you mother is coaching her of what to say whether it is some smart remark or a joke. When every laugh always look up and think of her because she is watching from above I know I will.*
