“ I just found out about Rhonda, and I am so very sorry for your loss. I met Rhonda when I first started working at Accident Fund in 1996. She had a wonderful sense of humor, and I always enjoyed talking with her. She also had the greatest collection of lapel pins. When I asked her where she found them, she said she got them at antique stores, flea markets or garage/yard sales. I knew right then that I had found a kindred soul! Rest in peace, Rhonda; we'll see each other again someday.
