“ *Dee and family,
Dick played drums with our Dad and our Uncles at many jam sessions and our Family Reunions. We all loved Dick. He was the kindest and sweetest man. When Dick was there there was always a good laugh. The band players always had stories from all their years of playing together. Many of them are together again in heaven playing the most beautiful music together.
Sending our condolences and love to you and the family.

“ *Mrs. Delaloye, We are sending you our condolences and lifting you in our healing prayers. We knew Dick through the Lincoln County Express Bands weekly jams both at the Tattooed Lady and The Chain Bar & Grill.
Each week we would ask about how his wife was doing. He always spoke so sweet and loving of you. He took such pride in having you as his wife. His face always took a peaceful look and he put that sweet smile on his face when he was talking about you. We have missed him the past couple years at the weekly jams and will miss him still.
God bless you with comfort and may He heal your heart.
