“ *My greatest sympathies. I will never forget how, when I was a teenager, he was so welcoming and nice to me. I wouldn't have been that nice to me if I had a teenage daughter. He was a great man and the world is a lesser place without him.*

“ *Grandpa, I have so many memories that I am thankful for. From the hayrides to clay bird shoots, to picking tomatoes from the garden to mulching salsa on the ceiling, to the feeding the fish in the pond to just sitting in the living room late at night watching your kind of movies and eating ice cream with chocolate syrup. You were the exact kind of grandpa I needed and was so lucky to have. I'm blessed to have those memories and to have grown up for so long with a loving grandpa. Thank you for everything! I love you, Becky Bear*

“ *I will always remember my adopted Uncle Rich for his smile and zeal for life and family. Barbecues, Cowboys football, fast pitch softball, the many rabbit and squirrel hunts and fishing. No matter what we were doing it was always an adventure. Thanks for all of it.*

“ *Thank you Rich for the many memories you gave me by hosting hayrides and Evans/Oliver day. My grandkids loved every minute of it. You shared your home and your heart and I will forever be grateful. Tell dad I love and miss him when you get your chance to go fishing. I will remember you and your family always.

“ *My condolences to a special family and a special man, we have all known each other for near 50 years. We share a lot of memories, we have grown up & grown old together. One of the last things I said to Rich was "imagine me in the field @ Buder School waiting for you to hit a high fly ball." He smiled and chuckled, that was Sunday afternoon. I was blessed to visit with him, hold his hand, touch his face & let him know I loved him and God Bless. Thank You Jesus for that opportunity. It was a "GOD" thing I am convinced. I Love this family like my own. Donna Sue Oliver*
