“ *So sorry about your loss of your father, brother, grandpa, friend, loved one. I remember Pete growing up since I spent what seems like a lot of my childhood at your home. One of the hardest days of my life, the day my dad died, Pete and family took me to the zoo so I wouldn't have to be there when they removed my dad from the home. I'm grateful for the time you allowed me to escape from my own issues into your home. You always treated me with kindness. For that, I will always be grateful. Rest In Peace.
