“ Hello everyone, thanks for reading mom’s obituary. I’d like to talk a little bit more about my mother, my mother was a very very strong and courageous woman. Fear never was a factor for her, she faced every challenge with grace. She had a smile that could light up the room , and a laugh that was out of this world. My mom was a big jokester, she had a joke for everything and was positive in every aspect. Mom could talk to someone for the first time and they would have thought they knew her forever. I could go on forever about mom, but I thank you for reading this, I hope this was a good testament of her character. She will be missed dearly.
