“ *Dear Kim and Vicki*

So sorry for your lose, and I would truly be there if I could but I am currently in California, and can't make it.

Your mother was a great lady and also a great friend. Our mothers were buddies also they were the trio of the 70s Sissy, Dorothy, and Sherry. Oh the stories those three could tell, plus I'm sure Pastor Hall has several about our families as we both lived across the street from his house in the 70s.

Sherry also was active in our community helping and coaching the Koury league girls softball team. If we ever needed a ride to the games Sherry was there to help.

*There are many memories I have of Sherry which are to many to share them all but my heart is sadden and comforted in the love that she shared with us . Sending my love and prayers to you both

Kim and Vickie
I am so sorry for the loss of your Mother.
She always had a kind word to say to us about our granddaughters.
I will always remember her as being my Hawk Point softball coach growing up as a little girl...and bragging about the time our team we won the Tri -County Championship!

Aunt Sherry was one of the coolest and most interesting person I have ever known. She had a quick wit and charm about her I will never forget. And boy, could she tell a joke. Her memory was incredible. I always thought it was so intriguing she was a food inspector. I remember her saying to me "always buy a whole chicken - its safer," and you know, after that everytime I buy chicken I think of that. Thanks for all the laughs and love.
