“ Theresa and family, I am so very sorry for the loss of your baby girl. I know how very proud you have been with her walking in your shoes and enjoying all the work she has done with you. What a very kind heart she had and I pray that you can find some peace knowing she will never be far from you in your heart. I have lost so much myself and I know when the times get dark I am always sent a sign from my loved ones. Watch for those signs. They will come and try and constantly think of all the good memories and pass them along as often as you can to her son. Big hugs my friend. I am a call away if you need an ear!

Much Love
