“ I am so sad about this. Stormie is one of the most amazing people I've ever met in my life. She's like a ball of energy and light that you always want to be around. She was so beautiful and always the life of the party. She brought the party with her when she arrived. I was a better person; a happier person knowing that she was in this world. She has transitioned and moved on to a different place but I will only remember everything good about her. I loved her so, so much. She was a firecracker. She is one of a kind. My dearest, deepest condolences to Mama Brooks and Stormie's family. I'm so so sorry for your loss.
