“ I always liked Tom. We used to party together long ago. He helped me learn how to fight. I remember one night down at the Pit Stop him and I were slugging it out bare fisted and he knocked me down. It was all in good fun. That is the way we did it back in the day. Another time he loaded my Harley up in the back of his van because I was too drunk to drive. So we sat in the van and partied some more. He took my bike and I home. He always treated me with respect and was always glad to see me as I was him also.
