“ You were my first Love when I started at our yearly hunt @ Mark Twain Lake.
You touched my heart and I'm forever grateful.
To see your smile and to give you a hug. To tease you and you right back to me.
And then I'd have this feeling as I'm cooking away and look up from the grill and there you'd be, looking at me. Awe to see the sparkle in your eyes, LOL, you were busted buddy, I caught you stalking me.
So many memories and the adventures you did. Oh Tom, you will truly be missed by us all. It just won't be the same.
Fly High my friend with no assistance needed.
I Love you man and look behind you.. You've finally got your own pair of wings.
