“ *In quiet whispers, we gather here,
For little Tyr, whom we held so dear.
Twelve days of dreams, like soft morning light,
Now wrapped in shadows, our hearts feel the night.*

*A tiny heartbeat, a fleeting breath,
In love's embrace, you found gentle rest.
With big brother Week and sister Rieley too,
Your light shone brightly, a love ever true.*

*Though days were few, his love was immense,
In each fleeting moment, a timeless sense.
Tyr, your laughter, though never heard,
Lives on in the hearts where love's softly stirred.*

*Natalie and Josh, in sorrow you stand,
Holding your son, though you must let go of his hand.
In the quiet of memories, your love we'll keep,
As your siblings remember, your spirit runs deep.*

*As we say farewell, let our hearts intertwine,
In the tapestry of love, your spirit will shine.
Rest now, sweet child, in the arms of the stars,
Forever in our hearts, no distance, no bars.*
