“ *Christina and Charlie: My hugs and condolences go to you and all the family really today. Your mom had a huge following and a lot of people really truly loved her. To know her was to love her indeed. She made no enemies and she will be greatly missed. She always gave of herself to others and that was obvious almost from the the 1st moment we met. I'm praying for your comfort at such a difficult time for all of you. My heart aches for you right now. I hope you can find meaning and comfort and carry her within you as she was a very special lady. Stephanie Smith*
