Neil was such a great guy and neighbor in Melbourne. I remember Bob and Neal hanging out talking away. They talked to truck, driving, tools, carpentry and all kinds of things. He loved his children and grandchildren as much as life. I remember the boys riding & riding around the cul-de-sac as kids. He was always willing to help someone out and had some amazing skills. We will miss him so much. He was a very special man. My thoughts go out to the entire family.
