“ *I love you so much bro, word's couldn't even begin to explain... Remeber when we took your Honda Civic for a joyride out in the field in Briscoe? Or when we went Snake hunting out in Briscoe? Or when I walked in the door at Kaitlyn's and you had a baby deer in the bathroom that you found and saved.. I could sit here and write a million more memories of us, but you already know that, so I'm gonna leave this with I love you bro and I think about you every day. I will see you again some day.. Gone but never forgotten..*

*Billy was at my house for Christmas a few years ago. He day my niece and I had only met him once before. He ate like a starving person and complimented everything. At the end of the meal he said "That was really good but maybe next time you could leave the nuts (almonds) out of the green beans ' Who can argue with compliments and honesty. After that no nuts in the green beans!
My condolences to his family and friends. May God bless you during this difficult time.*
