“ *Though we were far away, you were close at heart! We send our deepest condolences to the Collins, Leonard, Pena family.*

~I remember Chuck bringing me to Aunt Sue's house when I was just 15 years old!! James and I had just started dating! Will be a great memory of mine! Something funny I remember was during our wedding (James and I) Sue and Frank were in boots (from maybe a broken foot?) and then in our Son's wedding (Sean), one of them were in a boot again! Every time we've had memories with both of them, they have been great! Thank you Aunt Sue (and Frank.. if she can pass it along now).. Thank you for the great memories!!

“ I met Yvonne (Sue) at a Chat Meet with my companion Harold who had gone to school with Frank, Sue's husband. Then we visited their farm and went into the night playing cards and laughing with them. Sue was a marvelous cook and several times we went out to eat with them both. On Harold and Frank's high school 60 reunion we met at Leon Iowa, The last time I saw them as couple is when they drove up from Missouri to attend Harold's funeral in Creston Iowa. But thru Facebook was able to maintain contact and Sue let me know her concerns over the health of Frank and her sorrow at his death. We both had back surgeries and had empathy for the pain and loss of getting around easier but she was always so pleasant and always spoke with such love and pride of her family. I pray that her family has comfort in knowing she is where she wanted to be. next to Frank.
